Tailor-making your perfect trip

With PURE LUXURY, there are virtually no limits to what's possible. So why restrict yourself to a single destination or holiday type? We'll be happy to help you come up with the perfect combination... how about experiencing the cosmopolitan delights of New York before relaxing on the sandy shores of the Bahamas, or combining the buzz of Bangkok with the serenity of a Thai island.

Peruse these pages for inspiration, but remember, any itinerary can be tailor-made to your exact specifications, meaning you can take in the world at your own pace, in your own way.

TWIN-CENTRE ITINERARIES

The world is vast, this we know – it can take a long time to get to the place we most want to go. By travelling on a twin-centre itinerary, not only are you able to break the journey up into smaller pieces, but each piece of the journey can be an adventure in itself.

SOUTH AFRICA & MAURITIUS

In a spectacular location, Cape Town is surely one of the world's loveliest cities. Discover its historic buildings, take a trip to the infamous Robben Island or relax amid the vibrant shops and restaurants on the waterfront. Then head over to the island of Mauritius, a haven of sparkling crystal-turquoise waters and a mild tropical climate; fused together with the legendary Mauritian hospitality, historic sights, cultural diversity and almost limitless activities.

CULINARY CUES BY NIGEL HAWORTH

"Big and bold are the two key words to describe American cuisine. Traditional dishes such as steak, surf & turf and BBQ remain firm favourites across the country but there's a movement towards a healthier and more varied diet, especially along the west coast. In California you'll find sushi, chopped salads and juices widely available. And of course being on the coast it's well positioned for a whole host of fresh delectable seafood, just picture dining on lobsters on the beach, perfect."

HOW ABOUT ISLAND HOPPING?

There are virtually no limits to what's possible here – so don't restrict yourself to a single island. Why not combine the sandy shores of Barbados with the lush landscapes of Antigua? The PURE LUXURY Travel Ambassadors have got plenty of suggestions for the perfect Caribbean combination.

MESMERISING MARINE LIFE

A trip to the Caribbean is not complete until you've experienced the world that lies beneath the sea; there are excellent opportunities for diving and snorkelling, and if you don't fancy getting wet there are glass bottom boat or catamaran trips, taking you through the colourful world of wrecks, reefs, tropical fish and friendly turtles.

DESIGNER DETAILS BY CHARLOTTE HUDDERS

"I have family living in Barbados, and they talk most about the vibrant local culture, and it being full of smiley happy people! You're surrounded by the incredible colours of the stunning scenery, but what I find inspiring are the patterns, materials and colours used throughout traditional dress – exotic print designs on dresses and head scarves, which have inspired some of my own designs."

WINE WISE BY CRAIG BANCROFT

"South Africa has the oldest wine making tradition and heritage of any New World country, with the first vintage made in 1659. The district of Stellenbosch is the heart of South African wine production and with over 50 soil types it is not surprising that a complex range of white and red wines are made here – most notably some fine red Bordeaux blends."

One&Only Cape Town

Rising in an elegant crescent in the heart of Cape Town's fashionable Victoria & Alfred Waterfront, One&Only Cape Town creates a unique contemporary oasis and offers spectacular views of Table Mountain and Signal Hill. The seven-storey Marina Rise building comprises 91 spacious rooms and suites – all immaculately appointed and each with a private balcony to make the most of the views. "Inspiring and ever evolving - with so many cultures in one place, what would you expect? The diversity of architecture here is incredible, with the world's tallest building (and highest bar) - Burj Khalifa - to take in the spectacular view of the city. When you compare this example of shimmering modernity, to the traditional citidels that you can still see across the city, it's hard to believe how far Dubai has moved, and how fast... with no sign of slowing."

A WILDLIFE LOVER'S PARADISE

There's so much to see and do across the region, but one of the very best reasons to visit the Far East is for its profusion of unique wildlife. Visit the Sepilok Orang-Utan sanctuary in Borneo, Malaysia, wash, feed and interact with elephants in Thailand and take advantage of incredible diving sites across the region.

CITY STOPOVERS IN THE FAR EAST

Paradise found; there are any number of incredible and exotic resorts in the Far East, all of which are made for relaxation, rejuvenation and romance. What better way to truly appreciate the luxurious surroundings of a beach retreat, than to get lost in the hustle and bustle of a big city on the way there?

CULINARY CUES BY NIGEL HAWORTH

"With its Chinese influences, you'll find no shortage of great flavours across the Far East. Sweet and sour, fragrant yet punchy, these flavours hit all the right notes. Key ingredients include garlic, galangal, coriander, coconut milk, lemongrass and of course chillies. In Thailand Pad Thai (fried noodles) and crispy sweet caramelised pork tantalise the taste buds while over in Indonesia Nasi Goreng is a must on any menu. If you're visiting Vietnam you can't miss the chance to try traditional Pho, a noodle style soup brimming with flavour."
